Polythene Recovery Service

At Cromwell Polythene, it is our mission to be the most resourceful company in plastics, supplying products that help make the world cleaner, greener, and more economical.

As part of our mission, our lorries collect clean polythene from our customers on a back-load basis, which is then sent for recycling, supporting the circular economy.

|  Yes please |  No thanks |
|--|--|
| <p>Clean, clear and coloured polythene e.g.</p> <ul style="list-style-type: none"> - Pallet hoods and tops - Pallet stretch film - Shrink film - Mailing/Courier bags - Bubble packaging - Surplus bags and reel stock <p>Loose material accepted in bags or bales</p> <div style="text-align: center;">   </div> | <p>Soiled material</p> <p>Contaminated film e.g. more than 10% tape and labels</p> <p>Plastic bottles</p> <p>Rigid plastics</p> <p>Other hard plastics</p> |

If you can bale your polythene film, we will be able to pay for it. For more information, please contact your Account Manager or any of our sales team.
